

Winterfest Info

TEENS: PLEASE GIVE THIS LETTER TO YOUR PARENTS!

Parents,

Here is your WINTERFEST packet! Please keep all of this information handy. Winterfest is not until February, but this is the major information you will need. Hang on to it!

1. Once again this year for **Winterfest**, we will be taking Charter Buses! This will make traveling safer and much easier for weary adults. Since we do not have a church bus OR van, we would have to rent over 20 TWELVE passenger vans. The elders have approved our use of buses as we all feel that it will be much safer than trying to have that many vans trying to stay together or even to have that many vehicles on the road. The cost of Winterfest (which includes WINTERFEST registration, the hotel, lunch on Saturday, AND transportation will be **\$150.00**.
2. Teens may begin signing up NOW. You will find instructions (enclosed) as to how to turn in your materials. **nbyg members ONLY (this includes REGULARLY attending visitors who might not have officially placed membership) can sign up until January 6th** which gives you a narrow window of time to insure that all nbyg teens have the opportunity to attend. After January 6th, teens may begin signing up **ONE** visitor per person as space allows. If we still have spots available before the **January 16th deadline (which is a Wednesday night)**, teens may be allowed to invite other guests. Act quickly and have your friends' info ready to turn in on the 6th to get them in! Extra registration packets can be picked up at TRUE NORTH or on Vicki's office door and will be available for download at nbyg.org.
3. I want to take yet another opportunity to **HIGHLIGHT the deadline of WEDNESDAY, January 16th**. **Teens may pay a non-refundable deposit of \$50.00 to SECURE a spot but to receive the early-bird rate of \$150.00, you must turn in ALL money and forms by the 16th!!!** **If you have not paid in full by that date the regular rate of \$160.00 will apply to you.**

Please read over all of the information carefully. YOU are responsible for turning in all materials in the manner requested AND by the required deadlines.

We can't wait until Winterfest!
