

WINTERFEST 2019 Parent Information

February 15-17th, 2019 – Gatlinburg, TN

It's time to get ready for WINTERFEST 2019!

Please read the following information packet **VERY CAREFULLY** and discuss all relevant details with your teen(s). Make special note of all registration deadlines and procedures. We anticipate over 230-240 people attending with our group, so your cooperation is greatly appreciated.

Please enclose all forms (signed) IN AN ENVELOPE with your teen's NAME on it marked "WINTERFEST" and turn them in along with a deposit of \$50.00 OR your total fee if you choose. PLEASE READ the cost information on the enclosed flier carefully! Make a special note of the EARLY-BIRD deadline (for all money to be turned in) of WEDNESDAY, January 16th. You can pay your deposit anytime before the 16th to secure your spot, BUT ALL money must be turned in by January 16th to get the early-bird rate.
If anyone needs to pay in payments, please see SKID.

When will we MEET?

12:00pm at North Boulevard on Friday, February 15th.

This packet includes a letter to give to school officials, coaches etc. to explain the trip. Do NOT return this letter to church. The school needs it-NOT us.

Please stop and grab lunch before you arrive.

You will have time to eat at the church while we are checking everyone in. We will stop on the way up for 35 minutes (at West Town Mall in Knoxville) to grab DINNER before heading into Gatlinburg.

When will we RETURN?

Between 5:00-6:00pm (CST) on Sunday, February 17th

This is always hard to predict due to traffic conditions leaving Winterfest, but your teen(s) will be allowed to call from the bus or church if we are early.

In case of an emergency, we can be reached at the following numbers:

Thank you for entrusting your teenager to us. We have a loving group of adults going as chaperones, and we all consider it a privilege to have your teen on this trip. We trust that they will have a weekend that will bring them to a greater knowledge and love for our Lord and one another. Please pray for wisdom for the teens and the safety of this group while we are gone.
