

# mexico mission trip

NAME: \_\_\_\_\_ *Service POINT Form*

To be eligible for this trip, each teen team member must participate in local service opportunities equaling TEN service "POINTS." Please look over the following areas. Check the areas in which you have served. You need to earn a total of TEN POINTS. (Points do NOT necessarily equal HOURS served.)

You must have someone SIGN for the areas completed along with the date of completion. When you have accumulated TEN POINTS, please turn in your form.

The purpose of these points is to serve as a reminder that service opportunities exist within our own borders and in our own community. You don't always get a t-shirt or travel with a team when you serve. Hopefully by serving in a variety of ways, you will become aware that you have opportunities to serve FIFTY-TWO WEEKS out of each year. Those who develop a heart of service HERE are more likely to let there light shine even brighter once we arrive in Mexico.

NOTE: You DO NOT have to serve in EACH area. You must accumulate a TOTAL of TEN POINTS.

**service areas:** *Each line is worth ONE point. DUE JUNE 23<sup>rd</sup>*

with your FINAL payment. NOTE: There will be several announced CHECK-IN DATES where team members will be accountable for reporting where they stand in accumulated points.
